The principles according to which promotions to the cadre of Sub-Engineers have to be regulated in the P.W. Deptt are under consideration of Govt. If at all he is to be given the rank and pay of a Sub Engineer, as per the council resolution, it can only be on a tenure basis, without affecting the seniority of those in the Deptt. Grant of promotions even on a tenure basis to juniors will has however, been causing discontent among the seniors

made by the Commissioner and the Health Officer his predecessor in office, Mr B Narayana Swamy was getting a salary in the Subordinate grade of Rs 125-10-175 with a D.A. of Rs 28/- Since ~~the~~ Bangalore City has considerably grown both in importance and extent, the recommendation of the Commissioner is reasonable. There would not be any difficulty to find money in the budget as considerable saving has been effected from several sources among which are the salary of the Commissioner who is drawing less than his predecessor, and several other improvement works which could not be taken up
